Wine is the best medicine (Book, 1976) [WorldCat.org] Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied. Health Benefits of Wine - WebMD Indeed, the year 2000 was a very good year for wine makers -- and not just because it brought a bumper crop of cabernets, zinfandels, and chardonnays. Evidence of the far-reaching health benefits.

How to Make Herbal Wine - Mother Earth Living The best wines use specialty yeast strains cultivated over centuries by vintners and available at home-brewing shops. Some folks rely on wild yeasts naturally present in the air, but this is a risky approach because exposing wine to air usually attracts spoilage microbes (especially vinegar-producing Acetobacter) in much greater proportions than alcohol-producing yeasts.
